HEADQUARTERS DISASTER PLAN

1. General

The OSO Headquarters Disaster Plan establishes procedures to be employed in the event of any emergency affecting OSO headquarters installations. To accomplish this purpose OSO Regulation No. 10-2 is written as a series of instructions applicable to various degrees and types of disasters and emergencies. The basic policy of these instructions shall be that unit supervisors at all levels are responsible for the safety of their personnel and the implementation of necessary action to insure the continuation of operations in the event of an emergency. This series of Regulations shall be numbered as follows:
